Having your hair and makeup professionally done has NO BEARING on the winner.

- **What are the judges looking for?** They are seeking a natural beauty whom has a great personality, shines on stage, and is having fun! They are looking for a girl that stands out and is being in the moment! This pageant is about being YOU and staying true to your convictions and beliefs, while having fun.
- **Are titles binding?** No. You are welcome to compete in any other pageant you choose after the Pageant Weekend concludes.

- **Can I help my daughter backstage?** Yes! We encourage mothers to head back stage between divisions to assist their daughter in wardrobe changes- ESPECIALLY for the younger divisions. We will also have staff on hand to help! You MUST wear a mask backstage, and only 1 ONE helper per child.
*****LIMITED to 1 Adult Helper per Contestant ONLY.*****
- **Do I need to have a platform or a charity that I want to work with?** No. However, this is a Holiday Pageant, so having a STRONG idea of who you are and any/all ways you like to give back to your community is always a great thing. ☺
